So he sounded rather abrupt, though polite.. 130. "I won't take that as your final decision," he said. "As you know, we'll be here six months. If at the end of that time any of you want to go, you're still citizens of Earth." .I got back to my office at six. Miss Tremaine sat primly at her desk, cleared of everything but her purse and a notepad. She reminded me quite a lot of Desmond. "What are you still doing here, Miss Tremaine? You should've left an hour ago." I sat at my desk, leaned back until the swivel chair groaned twice, and propped my feet up.. "Come on in," she said, stepping back. "We might as well talk about this." They entered, and McKillian turned on the light and sat down on her mattress. Ralston was blinking, nervously tucked into his pile of blankets. Since the day of the blowout he never seemed to be warm enough.. It was painful to leave the mystery for later, but there was nothing to be done about it. They could not bring themselves to uproot the thing, even when five more like it sprouted in the graveyard. There was a new consensus among them to leave the Martian plants and animals alone. Like nervous atheists, most of them didn't believe Song's theories but had an uneasy feeling of trespassing when they went through the gardens. They felt subconsciously that it might be better to leave them alone in case they turned out to be private property.. driving.. She snickered wanly.. "Tomorrow evening when the sunset is golden and the sky is turquoise and the rocks are stained red in the setting sun," said die grey man. "I shall watch the whole proceedings with sunglasses." . His first elation fizzled out and he was left with his usual flattened sense of personal inconsequence. Tucking the license into his ID folder, he felt like a complete charlatan, a nobody pretending to be a somebody. If he'd scored in the first percentile, he'd have been issued this license the same as if he'd scored in the tenth. And he knew with a priori certainty that he hadn't done that well. The most he'd hoped for was another seven points, just enough to top him over the edge, into the sixth percentile. Instead he'd had dumb luck. it in and picked it up. She peered at the underside and laughed in wonder. "Good evening," Amos said. "How are you?" time. She still expected, at any moment, a call from The Studio. But her flesh hadn't cooperated.
